

NZPFD-4SC-S

The NZPFD-4SC-S plate can be loaded with one opticalCON DUO or QUAD chassis connector and four SC simplex or four Single E2000 feedthroughs. Adaption solution to meet existing non-opticalCON fiber installation.

NZPFD-4SC-S (including lettering possibility) is delivered without connectors. opticalCON chassis connectors can be ordered separately, SC or E2000 feedthroughs are not supplied by Neutrik.
